No. 99-127

FOR IMMEDIATE RELEASE
(Friday, June 18, 1999)

NOTE TO EDITORS:

The Nuclear Regulatory Commission's Advisory Committee on Reactor Safeguards has scheduled a joint meeting of two of its subcommittees on July 13 in Rockville, Maryland.

The subcommittees on reliability and probabilistic risk assessment and on regulatory policies and practices will discuss proposed options for development of risk-informed revisions to 10 CFR Part 50 of the Commission's regulations, including proposed changes regarding structures, systems, and components, as well as policy issues and special studies.

The meeting will begin at 1:00 p.m. in room T-2B3 of the agency's Two White Flint Building at 11545 Rockville Pike.

Those who wish to make oral statements may notify Michael Markley, at 301-415-6885, at least five days prior to the meeting. Mr. Markely may also be contacted with regard to schedule changes or to obtain further information.

Other aspects of the meeting will be described in a forthcoming edition of the Federal Register.
