FOR IMMEDIATE RELEASE

NRC ASSIGNS NEW RESIDENT INSPECTOR TO FITZPATRICK NUCLEAR PLANT

Nuclear Regulatory Commission officials in King of Prussia, Pa., have assigned Richard A. Skokowski as a resident inspector at the James A. FitzPatrick Nuclear Power Station in Scriba, N.Y. Mr. Skokowski joins Senior Resident Inspector Richard Rasmussen.

Most recently, Mr. Skokowski was a resident inspector at Nine Mile Point nuclear plant in Scriba. Prior to that he worked as a reactor engineer in the electrical branch of the NRC Region I Division of Reactor Safety. He began his NRC career in 1991.

Prior to joining the NRC, Mr. Skokowski served in the United States Navy as an electrical operator.

He has a degree in electrical engineering from Temple University in Philadelphia.

Mr. Skokowski grew up in Pottstown, Pa. He and his family now live in Oswego, N.Y.

The FitzPatrick resident inspectors can be reached at 315/342-4907.
