**NRC NAMES NEW SENIOR RESIDENT INSPECTOR  
AT MCGUIRE NUCLEAR POWER PLANT**

Nuclear Regulatory Commission officials in Atlanta have announced the assignment of Scott Shaeffer as the agency's Senior Resident Inspector at the McGuire nuclear power plant, located near Huntersville, North Carolina. He succeeds George Maxwell, the Senior Resident Inspector at the McGuire plant since 1993.

From 1984 to 1990, Shaeffer was an engineer in the NRC's Region II office in Atlanta. From 1990 to 1995, he was a resident inspector at the Sequoyah plant near Soddy-Daisy, Tennessee. Most recently, Shaeffer was the Project Engineer in the Region II office for the Browns Ferry plant in Alabama. He received a Bachelor's degree in Mechanical Engineering from the University of Cincinnati.

Shaeffer officially became the Senior Resident Inspector at the McGuire plant on July 29, joining NRC Resident Inspectors Garry Harris and Marvin Sykes. The NRC inspectors at the McGuire plant can be reached at 704-875-1681.
