NOTE TO EDITORS -- ACRS MEETINGS

Two subcommittees of the Nuclear Regulatory Commission's Advisory Committee on Reactor Safeguards have scheduled meetings Wednesday, December 4, in Rockville, Maryland.

The ACRS Subcommittee on Westinghouse Standard Plant Designs will meet at 8:30 a.m. in Room 2-B3 of the NRC's Two White Flint North Building at 11545 Rockville Pike. The purpose of this meeting is to gather information, analyze relevant issues and facts, and formulate positions and actions for deliberation by the full Committee on the Westinghouse AP600 design.

The ACRS Subcommittee on Planning and Procedures will meet from 12:00 noon to 1:30 p.m. in Room 2-B1, also at Two White Flint North. The subcommittee will discuss proposed ACRS activities and related matters.

Other aspects of the meetings, including the opportunity for public comment, are described in a Notice of Meeting published November 10 in the Federal Register.
