NOTE TO EDITORS:

The Nuclear Regulatory Commission staff has scheduled the following meetings on Thursday, March 18, on Millstone Station in Waterford, Conn.:

- The NRC staff will meet with Northeast Utilities officials at 11:30 a.m. in the Leland F. Sillin Training Center at the Millstone site to discuss the preliminary results of the Independent Corrective Action Verification Plan corrective action inspection for Unit 2. The meeting is open to the public for observation.
- At 1 p.m., in the Training Center, the staff will meet with NU officials to receive an update on the status of the recovery efforts at Unit 2. This meeting is also open to the public for observation.
- At 7 p.m., at the Waterford Town Hall, the NRC staff will hold a joint meeting with the Nuclear Energy Advisory Council to discuss recovery of Millstone Unit 2. As part of this meeting with NEAC, the NRC staff will respond to questions from the public. The Town Hall is located at 15 Rope Ferry Road in Waterford.
