NRC TO MEET WITH ARIZONA PUBLIC SERVICE TO DISCUSS SAFETY PERFORMANCE AT PALO VERDE

The U.S. Nuclear Regulatory Commission staff will meet with officials of Arizona Public Service Company on Thursday, June 28, to discuss the results of NRC's annual assessment of safety performance at the Palo Verde Nuclear Generating Station near Wintersburg, Arizona.

The meeting will be held at 1 p.m. at Estrella Mountain Community College, South Community Room, 3000 North Dysart Road, Avondale, Arizona. The public is invited to observe the meeting. NRC officials will be available after the meeting to answer questions.

A letter sent from NRC Region IV to Arizona Public Service, which addresses plant safety performance during the previous year and forms the basis of the meeting discussion, is available from the Region IV Office of Public Affairs or on the NRC web site at: <http://www.nrc.gov/OPA/ppr/>. Current safety performance information for Palo Verde is available on the NRC web site at: http://www.nrc.gov/NRR/OVERSIGHT/ASSESS/PALO1/palo1_chart.html.
