NRC SCHEDULES MEETING TO DISCUSS SAFETY CULTURE AT FPL'S NUCLEAR PLANTS

The Nuclear Regulatory Commission staff has scheduled a public meeting for Tuesday, Jan. 11, to discuss the status of the safety culture and plans for improving it at Florida Power & Light Co.'s two nuclear plants in Florida.

The meeting will be held from 9-11 a.m. at the Doubletree Hotel, 4431 PGA Boulevard in Palm Beach Gardens. The meeting, which was requested by the utility, will be open to the public and those attending will have an opportunity to ask questions of the NRC after the agenda is completed.

FPL's two Florida nuclear plants are St. Lucie in Jensen Beach, east of Port St. Lucie, and Turkey Point in Homestead, south of Miami.

The meeting notice is available via the agency's electronic reading room at www.nrc.gov/reading-rm/adams.html.
