REQUEST FOR STATISTICAL INFORMATION – ACTIVE RADIOACTIVE MATERIAL
LICENSES (FSME-13-103)

Purpose: To update the count of radioactive material specific licenses currently active in the Agreement States.

Background: Annually, the U.S. Nuclear Regulatory Commission (NRC) requests Agreement States to provide the number of specific radioactive material licenses currently active under their jurisdiction. This information has been used to maintain accurate information for use in public documents developed by NRC staff.

Discussion: Enclosed is the latest count of specific material licenses in each Agreement State, as of December 31, 2012. Please review this data and revise your State's total to accurately reflect the number of specific material licenses currently active under your State jurisdiction. We would appreciate your email response to the point of contact below within 30 days of the date of this letter.*
