Agency Procedures for Responding to Adverse Court Decisions and Addressing Funding Shortfalls; Petition for Rulemaking (PRM); Notice of Docketing; Part 2 of Title 10 of the Code of Federal Regulations (PRM-2-15; NRC-2015-0264)

On February 17, 2016, the NRC published a notice of docketing in the *Federal Register* ([81 FR 8021](#)) for a PRM from Mr. Jeffrey M. Skov, dated October 22, 2015. The petition was docketed by the NRC on November 10, 2015, and was assigned Docket No. PRM-2-15. The petitioner requests that the NRC amend its rules of practice and procedure to establish procedures for responding to adverse court decisions, and to annually report to the public each instance where the NRC does not receive “sufficient funds reasonably necessary to implement in good faith its statutory mandates.” The NRC is not requesting public comment on PRM-2-15 at this time.
