US Nuclear Regulatory Commission  
11545 Rockville Pike, Rockville, MD 20852

Re: **SB22.151**

To whom it may concern

This is to confirm that the Letter of Credit SB22.151 issued in favor of US Nuclear Regulatory Commission on December 15, 1999 with reference to Docket No. 40-2259, License No. SUA-672 is currently open on our books with a value of USD834,954.00. As per the terms of the LC, the expiry date will automatically extend on an annual basis.

Do not hesitate to contact us should you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Joye M. Dawkins', is written over a horizontal line.

Joye M. Dawkins  
Vice President
