INSTRUCTIONS TO STUDENTS

ACCEPTANCE: Individuals listed in Enclosure 1 have been accepted for participation in the Root Cause Workshop (G-205) course. This course is scheduled to be presented September 17-20, 2019, at the U.S. Nuclear Regulatory Commission (NRC) Technical Training Center (TTC). The TTC is located at 5746 Marlin Road, Suite 200, Osborne Office Center (near Eastgate Shopping Center) Chattanooga, Tennessee 37411-5677. The facility's telephone number is (423) 855-6500.

COURSE: Please see our Web site, <https://scp.nrc.gov/training.html> for the Tentative Course Schedule and note that this course has two components, a live webinar and classroom.

A functionality webinar will be conducted on Monday, October 28, 2019, from 1:00 – 1:30 p.m. local time. Attendance at this webinar is suggested.

A pre-course webinar will be held from 1:00 – 5:00 p.m. local time on Wednesday, October 30, 2019. The webinar will be conducted using Go-To-Training. You will receive an invite to the Go-To-Training session. You will need to register for the session. Attendance at this webinar is mandatory.

You will also be enrolled in the NRC's Collaborative Learning Environment (CLE). You will receive a separate login and password once you have been enrolled. All course reference material and assignments will be provided in the CLE.

You should receive the webinar invite two (2) weeks prior to the webinar and an invitation to test the Go-To-Training webinar platform to ensure your system is configured and staged to participate in the webinar. The Go-To-Training provides both computer audio (microphone and speakers) and a bridge-line number for use. If you decide to use your computer audio please ensure you have conducted the system testing that Go-To-Training platform provides.

This required webinar is a vital portion of the course, and failure to actively participate in the webinar will result in withdrawal from the course. Pre-course reading to prepare for classroom activities will be distributed after the webinar and must be completed prior to attending the classroom portion, so plan to spend several hours reading and assessing the material before the course. If you do not complete the pre-reading, you will have trouble completing the course.

The classroom portion of the course begins at 8:00 a.m. local time on Tuesday, November 5th, and ends at 2:00 p.m. local time on Friday, November 8th. This course simulates an onsite investigation and as such has documentation and reporting requirements so it is required that you bring your personal laptop computer to the classroom.

You must attend and participate in all course components in its entirety to receive credit for the course. If you have any questions concerning login or with the live webinar please contact Eric Riggs at (423) 855-6672.

LODGING AND TRAVEL: Please plan to arrive on Monday, November 4th, and depart on Friday, November 8th. If there are no flights available that would allow you to arrive home before midnight on Friday, November 8th, you may elect to depart on Saturday, November 9th. In this event, NRC will provide reimbursement for hotel on Friday night and per diem on Saturday, November 9th. Students must make their own lodging and travel arrangements. If

traveling by air, please contact El Sol Travel at (844) 244-6694 for airline reservations, and indicate that the travel is “Invitational” for the NRC. Please select a fully refundable government fare if one is available, and make sure that El Sol Travel correctly direct bills your fare to the NRC credit card. If the need arises and you must make a change or cancel, contact Karen Meyer at 301-415-0113.

Please complete the Travel Application Form which will be provided to you and submit to ASTrainingandtravel.Resource@nrc.gov, at your earliest opportunity, but no later than Friday, October 18th. Please request the Federal government rate at the hotels. The per diem for Chattanooga, Tennessee is \$112 for hotel and \$61 for meals and incidentals. The first and last day of travel is calculated at 75 percent. A complimentary shuttle has been arranged for transportation between the hotel and the training center for individuals staying at the Residence Inn hotel listed below. Please contact the front desk for details upon arrival. Those students who elect to stay at an alternate hotel will be responsible for their own transportation between the hotel and the training center. If you are authorized to drive, the Federal mileage reimbursement is 58 cents per mile. Rental cars are not reimbursable. Note that a block of rooms has been set aside for you at the Federal government rate.
