To Whom It May Concern,

Under the Freedom of Information Act, 5 U.S.C. subsection 552, I am requesting the following information, as well as copies of the following records:

Does the Nuclear Regulatory Commission (NRC) have any programs, policies or subcommittees in place similar to the Department of Energy's (DOE's) Differing Professional Opinions? If so, please provide the following information:

- The names of any and all such NRC programs, policies or subcommittees
- All documents pertaining to such programs, policies and subcommittees, including:
 - A description of such programs
 - The policies themselves
 - Related NRC management directives
 - Concerns expressed by workers, managers, or the general public
 - Members of any such subcommittees and their roles
 - Should such programs, policies or subcommittees exist

If these records can be scanned and emailed, I would appreciate it. Please send to:

- Jennifer Moores
- Email: jennifer@jmi-inc.com
- Physical address: (b) (6)

Thank you for your help with this request. If you have any questions about it in the meantime, please just let me know: akersons@change4justice.com.

Sincerely,

Sarah Akerson
