First, the NRC OI investigation of interest is as noted in the subject line: 2-2012-031. I inadvertently referenced a different (and incorrect) investigation number in the body of the letter. Second, to better assist you in identifying documents that should not be provided which were submitted initially to the NRC by Duke those documents most likely were submitted by the Duke legal department under cover letters signed by Lara Nichols Esq. who is an attorney in the Duke legal department. Thank you and please don't hesitate to contact me if there are any additional questions or information you need clarified. Paul J. Zaffuts	11/04/2014	Partial Grant/Partial Denial
