EXECUTIVE SUMMARY		
Management Directive (MD) 10.100, "Appeals From Adverse Actions," formerly Manual Chapter 4156, is eliminated because the current version of MD 10.99, "Discipline and Adverse Actions," consolidates the provisions of appeals from adverse actions into MD 10.99.		

For updates or revisions to policies contained in this MD that were issued after the MD was signed, please see the Yellow Announcement to Management Directive index ([YA-to-MD index](#)).
