TRAINING: No special training is required for any documents issued with this Change Notice.

REMARKS: IMC 1245, "Qualification Program for Reactor Inspectors." Provided additional guidance for Branch Chiefs to utilize when evaluating the suitability of inspectors to perform work outside of their classification. Clarified that specialized and advanced training is promulgated in Appendices C and D.

IMC 1245 Attachment 1, "General Overview of the Inspector Training and Qualification Program." This revision reflected the development of C16, "Research and Test Reactor Operator Licensing Examiner Technical Proficiency Training and Qualification Journal," and updated the list of courses that is included in the program overview.
